A Scripture Lady Bible Review Game

LOST AND FOUND PARABLES

Thank you once again for subscribing to the Scripture Lady Newsletter!

Here is your FREE game of the "Lost and Found Parables".

This game was designed to be played in conjunction with the multiple choice questions you will find within this game kit. However, you can also play this game by itself or with any other kind of review questions. Just follow the directions below and have FUN!

Have you ever lost something? I know I have. Countless of times! You search and search and once you find the missing item, a huge flood of relief comes over you. Here is a fun game to help your elementary kids gain a better understanding of how incredibly excited God gets when one of His children is found and comes home to the Father.

Assembly: Cut out all cards along the black lines. Except for the Multiple Choice Question Cards, back all the rest of the cards with the small title backings and then laminate all the cards so that they will last for a long time.

Set Up: Place all 36 of the sheep, coin and prodigal son cards onto a pocket chart that you can display on an easel or you could lay them out on a table with the title backing side showing. Place the "Number" cards in a bag or bucket and finally, place your 2 rectangular title cards up at the top of your pocket chart. You do not need to keep score for this game.

How to Play: Divide your children into 2 teams. Tell the children they are going to learn about the "Lost and Found Parables" of Jesus. Let them know that behind all the cards on the pocket chart there are 3 kinds of cards – Sheep cards, coin cards and prodigal son cards. If a child from a team correctly answers the multiple choice question, he or she will then get to reach into the bag of number cards to see how many cards they will be allowed to pick off of the board. The number cards give you the choice of picking one, two or three cards with another number card giving you the chance to take a card from the other team. The first team who finds 2 of each of the sheep, coin or prodigal son cards wins! Keep each team's cards in separate areas.

For some added fun, I encourage the kids to say the following phrases or sounds after each sheep, coin or prodigal son card is turned over: For the sheep, we say, "BaaaaaH!", for the coin we say, "Jingle, Jingle" and for the prodigal son we say, "So sad, poor lad!".

LOST AND FOUND PARABLES

Jesus told this parable of the lost sheep. He said this: "If you had 100 sheep and one of them strayed away and was lost in the wilderness, wouldn't you leave the 99 others to go and search for the lost one until you found it?"

In this verse, Jesus says that you should leave the 99 sheep to go and search for

- A) the one lost sheep until it is found.
- B) Mary and her little lamb.
- C) only the sheep who want to be found.

Question 1

Jesus continued to say that once you found the sheep "you would joyfully carry it home on your shoulders."

Jesus says in this verse that once the lost sheep is found you should

- A) scold the sheep for running away.
- B) cook him up for lamb chops.
- C) joyfully carry him home on your shoulders.

Question 2

Jesus continued by saying that "when you arrived (home) you would call together your friends and neighbors to rejoice with you because your lost sheep was found."

In this verse, Jesus says that when you arrive back with the lost sheep you should call together

- A) the President of the United States.
- B) friends and neighbors.
- C) only the people you go to church with.

Question 3

In conclusion, Jesus said that "in the same way, heaven will be happier over one lost sinner who returns to God than over 99 others who haven't strayed away."

We learn from this parable that

- A) we should all raise sheep.
- B) God does not love the other 99 sheep.
- C) that God's love for each person is so great that he seeks each one out and rejoices when each lost person is found by Him.

This verse suggests that

- B) we should look very hard for the things we lose.
- C) we should all go out and buy vacuum cleaners.
