I am Fearfully and Wonderfully Made

Psalm 139:14

Thank you for downloading a "Scripture Lady Game for Preschoolers"! Here is your FREE game of "I am Fearfully and Wonderfully Made". Just follow the directions below and have FUN!

Psalm 139:14 is definitely one of the core concepts your preschoolers can and should begin to understand at their young age. So why not teach this truth in a fun way, but with an international flair? Let Akiko, Juan, Kito and Luana teach your little ones that they are truly "fearfully and wonderfully made" by God.

Assembly: Cut out all cards along the black lines. Back each of the clothing item cards with one of the descriptions making sure you match each clothing card with the correct nationality. Laminate all cards for long term use.

Set Up: Hang or display all four of the children so your children can easily see them. Place the clothing/description cards in a bucket.

How to Play: Introduce each of the children to your preschoolers. Akiko (Ah-Key-Ko) is from Japan. She has two older brothers and lives with her mom, dad and grandmother in a city called Tokyo. Juan is from Guatemala where they speak Spanish. Juan is from a big family: 3 older sisters, 1 younger brother, mom, dad, grandma, grandpa, along with 2 cows and 2 goats. Kito (Key-toe) is from Kenya where he lives with his dad and his aunt. Kito does not have any brothers or sisters. Luana lives in Hawaii. Her grandmother takes care of her and her brother.

Tell the children that the Bible says in the book of Psalms that we are "fearfully and wonderfully made" by God. Encourage them to repeat after you, "I am feafully and wonderfully made by God." Say, "Akiko, Juan, Kito and Luana were also fearfully and wonderfully made by God. Let's learn a little bit more about each of these children by looking at the different pieces of clothing they have on. Who wants to be the first one to reach into my bucket and pull out a card that shows something one of the children is wearing?" Select a child to pull out a card. Read what is on the card and then have the children match the card to the child who is wearing that piece of clothing. Everytime you say, "...just like you!" tell the children to pop up out of their seats and have them point to someone else in the class.
