

11. Bekah is VERY critical. It seems like she can't say anything nice about other people. She always puts people down and thinks she is better than others. Bekah is in the middle of a storm. It's a storm of pride. Often, when a person is prideful, they actually do not feel very good about themselves. They often put others down so that they feel better about themselves. Jesus wants Bekah to know that He loves her very much. He also wants Bekah to learn how to love others. Jesus knows that when Bekah learns these truths, then she will be at peace with who she is and who others are.

12. Daniel snuck home a video game that he knows his parents would not want him to play or even look at. The video contains pictures that are impure and that go against the kinds of things God wants us to look at with our eyes. Daniel is in the middle of a storm. It's a storm of impurity. Psalm 101:3 says this, "I will set no worthless thing before my eyes." Jesus knows that things that are not pure are worthless and will never be a blessing to your life. Jesus wants Daniel to pray to Him and ask Him for the self-control to stay away from impure things. Then Daniel will have more peace in his heart.
