

## **The Mighty Power of God**

By Kathy Vincent, The Scripture Lady

**Thank you, God, for the mountains  
That rise above the seas  
They show your mighty power  
Filled with birds and lakes and trees**

**Thank you, God, for the oceans  
Whose waves rise and fall  
They show your mighty power  
They are home to fish, both large and small**

**Thank you, God, for the sun  
And moon and twinkling stars  
They show your mighty power  
Giving light to planets like Jupiter and Mars**

**Thank you, God, for flowers  
Especially ones that smell so sweet  
They show your mighty power  
Their perfume is always a treat**

**Thank you, God, for making me  
And all my family and friends  
We show your mighty power  
And your love for us will never end**
