

The Scripture Lady's Top 25 Bible Verse Songs. Enjoy!

It is my prayer that each of these Scripture Songs will be deeply hidden in the hearts and minds of your children. Please follow these directions for the best listening experience of your music:

1. Select a song you would like to hear by left-clicking on the link.
2. If you would like to save a song to your hard drive, right-click on a link and options will appear of where you would like to save it. Saving a song to your hard drive then allows you to be able to copy it to your particular audio player such as iTunes. This gives you the capability of burning the songs you want the most on a CD or downloading them to your mp3 player.

Finally, I trust that you will only use these songs for your personal and classroom use.
