Captivating Kids for Christ!

# God Made the Stars, Too

## Poem

ScriptureLady.com

**(Begin singing "Twinkle, Twinkle, Little Star")**

**The stars twinkle  
The stars are bright  
God made the stars to hang  
In the dark, dark night**

**Sometimes we can see the stars  
When all is dark and dim  
It's like they are sparkling  
With a great big grin**

**But sometimes the stars appear  
To be gone without a trace  
There's not a twinkle or a sparkle  
In God's great outer space**

**This makes me think of how sometimes  
God seems far away  
I wonder, "God, are You really there?"  
"Are You really with me every day?"**

**But then I remember  
What I know to be true  
God IS always with me  
Just like the stars are always there, too.**
