Fill the Cups Game

A good friend is always kind. You should always be kind when you are playing with your friends.

Did you know that some games have winners and losers? One day you might play a game with your friend and you are the winner — that makes you feel great! But on another day, you might be the loser. That can make you feel sad.

Whether you are the winner or the loser during a game, you always need to be kind to your friends. That's what it means to be a "good sport."

Let's play a game to help us learn how to be "good sports" to one another and show kindness whether we win or lose.

Play: Fill the Cups

(Bring out 2 tables, one for each team: boys vs. girls. On each table, place 6 clear cups. Each boy and girl will hold a bucket containing 6 balls. On the word "Go!" each child

will fill their cups with one ball each. The first one done is the winner.

Before playing, have the children shake hands and say, "Good luck," to each other.

After playing, have the "loser" say, "Good job!" and have the winner say, "Thanks for playing!"

Play 4 times and keep score.

You guys were really good sports! Even though some of you lost the game, you still showed your love to your friends.
